Use of the article

Our products are not harmful to health, as long as they are properly handled and used for the purpose they are produced for (direct/indirect food contact). Depending on the type of materials used, our products are suitable for packaging of:

- dry foodstuff
- moist foodstuff
- fatty foodstuff
- non-fatty foodstuff

Since C.R. Verpakkingen does not know the exact mixture of the customer's product, it is his duty to make sure that the use of packaging (from filling until retail) is in accordance with the existing legislation.
